

Wall Mounted Bottle Filler Fountain

Product Code: DFWH-CF

Wall Mounted Bottle Filling Fountain

Product Code DFWH-CF

The wall mounted cup and bottle filler fountain has a swan neck tap for filling drinking water bottles and cups.

Manufactured from grade 304 stainless steel 1.6mm thick the water bottle filling fountains are strong, durable and vandal resistant. The smooth satin polished finish along with a crevice free construction ensures the bottle filling station is easily cleaned, whilst the radius design front helps prevent injury.

The filler incorporates a self closing push button valve to prevent water wastage.

Supplied complete with a concealed wall fixing bracket, waste fitting and swan neck spout, and easily installed at the correct height.
