

Outdoor Pedestal Bottle Filler With Drinking Fountain

Product Code: GYM

Outdoor Pedestal Bottle Filler with Drinking Fountain

Product Code GYM

The dual level pedestal bottle filler and drinking fountain is an ideal solution for providing a source of bottle filling water and a drinking water solution to both adults and children with the added advantage of the drinking fountain meeting DDA requirements for wheelchair users. Finished in green the body of the fountain is manufactured from 2mm thick stainless steel for vandal resistance and durability, while the bowls have a satin stainless steel finish for easy cleaning and hygiene.

Dimensions & Specifications:

Width: Main body 330mm diameter, overall width 762mm.

Height: Main body 1321mm high, fountain arm 689mm high.

Bowl Material: 1.2mm thick stainless steel grade 304 bowls.

Body Material: 2mm thick powder coated stainless steel pedestal.

Bubbler tap: NSF accredited polished stainless steel bubbler tap with front push button operation.
